## INFORMATION MEMO

---

Memo #: WIC 2012-5-I

Date: 11/28/11

Subject: Updated Laboratory Module (11/2011)

To: All Local WIC Directors and Local WIC Clinic Staff

From: Chris Furner, Program Manager

Please expire the Anthropometric Module (2/2009) and the Laboratory Screening Module (3/2004). These 2 modules are being replaced by the attached combined module entitled, Laboratory Module (11/2011). This will also be posted on the Utah WIC website.

In P&P Section B.4, Training Modules, it states on page 11, II, "Existing WIC staff need to complete new and revised/updated modules within three months of notification of development or as otherwise indicated by the State agency."

It would be important to have applicable staff complete this updated module by March 1, 2012.
